

How to Create or Access Existing CITI Account

Link: <http://citi.research.ucf.edu/>

To create a New CITI Account:

1. Click on the CITI link to sign-on through the UCF portal (linked above).
2. Enter your UCF NID and NID password.
3. Click "Sign On."
4. Click "Continue" to match your SSO (single sign on) account with a CITI Program account.
5. Select "I don't have a CITI Program account and need to create one."
6. Select "Click here to create a new CITI Program account." Your learner profile is automatically populated.

To access an Existing CITI Account:

1. Click on the CITI link to sign-on through the UCF portal (linked above).
2. Enter your UCF NID and NID password.
3. Click "Sign On."

NOTE: When creating a new CITI account, provide the email address issued to you by the University of Central Florida (@ucf.edu). This allows UCF officials to identify your learning records in reports. If you have not been issued a UCF email address, use the email address associated with your sponsored account instead. A warning message will appear. Click "Continue" to proceed with the registration.

Institutional email address *
Enter your University of Central Florida email address. It should be from one of the following authorized domains:

- *ucf.edu*

Enter a valid Institutional Email Address.

Verify Institutional email address *

Re-enter Institutional Email Address.

The email address you entered is not from an authorized domain. If you proceed, you will not lose your affiliation with University of Central Florida, but if you have an email address from one of the authorized domains, you should use it instead.
